To the Class of '79

May I leave you with the following thought and I hope in some way it may guide you to success.

This is the beginning of a new day.
God has given me this day to use as I will.
I can waste it or I can use it for good.

What I do today is important,
Because I am exchanging a day
Out of my life for it.

When tomorrow comes this day
Will be gone forever,
Leaving in its place what I have traded.

I want it to be gained, not lost.
I want it to be good, not evil.
I want it to be success, not failure.

Nor should I regret the price
I have paid for it,
Because its future is just a whole
String of days.

Sincerely,
Richard P. Pucher

Retirement 1979

The yearbook staff would like to honor three elementary teachers who are retiring with a total of 119 years within the field of education. Miss Louise Updyke has 47 years, the past 13 years as Elementary Supervisor, Miss Marian Updyke 46 years, and Mrs. Margeurite Faber 26 years. These three women have faithfully and completely dedicated their lives to the children of the Richburg Central School. The void and legacy they leave behind as they depart will be very difficult to fill.

Miss L. Updyke attended Houghton College and Fredonia State College. She obtained a B.S. and M.S. from Geneseo State College. Her special interests include member of the Roena Ames Music Club, member and organist of the First Day Baptist Church. Her retirement plans include traveling, gardening, piano and organ playing, crocheting and sewing.

Miss M. Updyke received a B.A. from Houghton and a M.S. in Library from Geneseo State College. Her special interests include knitting, crocheting, tatting, gardening, sewing, photography, poetry,

member of Roena Ames Music Club, and member of the First Day Baptist Church. Her retirement plans include traveling, camping, playing piano, and playing organ.

Mrs. M. Faber attended Fredonia State College for 2 years, received a B.S. and did graduate work at Geneseo State College. Her special interests include member of S.P.C.A., Allegany Co. board of directors, member of the Christian Science Church of Wellsville, Church board of directors, member of the Business and Professional Women's Club of Wellsville, and playing the organ. Her retirement plans include traveling and some part time work.

It is with admiration and heartfelt thanks that we reviewed your accomplishments and years of dedication to the field of Education and the Richburg Central School. Although you women will be missed within the hallowed halls of the Richburg School, we wish you much health, wealth, and happiness in your years of retirement.
